Sun Pharma – Investor Update

Mumbai, India, January 22, 2019 – Sun Pharmaceutical Industries Ltd. (Reuters: SUN.BO, Bloomberg: SUNP IN, NSE: SUNPHARMA, BSE: 524715, "Sun Pharma" including its subsidiaries and/or associate companies) today announced the following changes and clarifications:

1. Domestic formulations distribution to be transitioned to Sun Pharma's wholly owned subsidiary

Sun Pharma's distribution related to India Domestic Formulations Business shall be transitioned from Aditya Medisales Ltd., the current distributor, to a wholly owned subsidiary of Sun Pharma. This change will be made effective by Q1FY20, post receipt of all requisite regulatory approvals.

2. Loans & Advances – Unwinding of a transaction

As at 31st March 2018, Sun Pharma's consolidated balance sheet, reflected a liability towards obligation of supplies to Atlas Global Trading ("Atlas") amounting to Rs. 2,238 crores (~US\$ 345 million). This liability was in respect of Atlas assuming the damages on account of Protonix patent litigation settlement entered by Sun Pharma which was disclosed in Sun Pharma's Annual Report FY14 (Page No. 91, Note 48 (iii)).

In September 2014, Sun Pharma's Halol facility (Gujarat) was impacted by USFDA cGMP issues which were finally resolved in June 2018, after nearly 4 years. These cGMP non compliances resulted in supply constraints thereby, Sun Pharma was not able to adhere to the agreed supply schedule with Atlas. Sun Pharma, in FY18, has funded Atlas towards non-fulfilment of its supply obligations till the time such obligations are fulfilled as per the agreement. The said funding was included in Loans & Advances schedule of Sun Pharma's FY18 consolidated balance sheet (Annual Report FY 18, Page 162, Note No. 7, Loans (Non-Current) – Loans to Employee & Others).

The parties to the supply contract have now agreed in principle, that Atlas will assign its rights and obligations arising from this contract, to a wholly owned subsidiary of Sun Pharma. This assignment will ensure that the Loans & Advances given to Atlas will be settled. On conclusion of this transaction, in the consolidated balance sheet, this loan and the obligation will cease to exist as it gets squared up. This transaction is expected to be concluded in FY19.

3. Appointment of auditor in subsidiary companies

Sun Pharma has initiated steps to induct S R B C & CO LLP, its statutory auditors, as auditors of subsidiaries that are currently audited by Valia & Timbadia.

4. Loans or Guarantees to Suraksha Realty

Sun Pharma hereby confirms affirmatively that neither any loans nor guarantees have been given to Suraksha Realty. Sun Pharma would like to dispel all falsehoods being spread about its financial dealings
