Respecting human rights is a fundamental value at Sun Pharma and the organization believes in respecting and promoting human rights. The Human Rights Policy by reference imbibes the spirit of protection and preservation of human rights in all forms across our operations and value chain.

The policy is built upon the fundamentals of Universal Declaration of Human Rights including those contained in the International Bill of Rights and Declaration of Fundamental Rights at work (1998) as per the International Labour Organization.

Scope, Applicability & Expectation from Stakeholders

Using the Human Rights Policy, Sun Pharma strives to create a productive work environment, conducive to safeguarding human rights.
