**Statutory Auditor's Report and Annual
Financial Statements**

**Year 2024-2025
From 01.04.2024 to 31.03.2025**

SUN PHARMA FRANCE S.A.S

For the year ended 31 March 2025

Statutory Auditors' report on the financial statements

To the sole shareholder of SUN PHARMA FRANCE S.A.S,

Opinion

In compliance with our engagement entrusted to us by your decision, we have audited the annual accounts of SUN PHARMA FRANCE S.A.S relating to the financial year ended March 31, 2025, as attached to the this report.

We certify that the annual accounts are, with regard to French accounting rules and principles, regular and sincere and give a faithful image of the results of operations for the past financial year as well as as well as the financial situation and assets of the company at the end of this financial year.

Basis for Opinion

Audit Framework

We conducted our audit in accordance with professional standards applicable in France. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the Statutory Auditor Responsibilities for the Audit of the Financial Statements section of our report.

Independence

We conducted our audit engagement in compliance with independence requirements of the French Commercial Code (Code de Commerce) and the French Code of Ethics (Code de déontologie) for statutory auditors rules applicable to us, for the period from 1st April 2024 to the date of our report.

Observation

Without qualifying our opinion, we draw your attention to the note "Accounting policies - Equity" in the notes to the financial statements, which states that the Company has received financial support from its parent company until 31 March 2026.

Justification of Assessments

In accordance with the requirements of Articles L.821-53 et R.821-180 of the French Commercial Code (code de commerce) relating to the justification of our assessments, we inform you that the most important assessments made by us according to our professional judgment focused on the appropriateness of the accounting principles used and the reasonableness of the significant estimates and the presentation of financial statements taken as a whole.

These assessments were made in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. We do not provide a separate opinion on specific items of the financial statements.

Specific Verifications

We have also performed, in accordance with professional standards applicable in France, the specific verifications required by French laws and regulations.

We have no matters to report as to the fair presentation and the consistency with the financial statements of the information given in the documents with respect to the financial position and the financial statements provided to the sole Shareholder.

We hereby certify that the information relating to payment periods mentioned in Article D.441-6 of the French Commercial Code is accurate and consistent with the financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with French accounting principles and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless it is expected to liquidate the Company or to cease operations.

The financial statements were approved by the President.

Statutory Auditor Responsibilities for the Audit of the Financial Statements

Our role is to issue a report on the financial statements. Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with professional standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As specified in Article L.821-55 of the French Commercial Code (code de commerce), our statutory audit does not include assurance on the viability of the Company or the quality of management of the affairs of the Company.

As part of an audit conducted in accordance with professional standards applicable in France, the statutory auditor exercises professional judgment throughout the audit and furthermore:

- Identifies and assesses the risks of material misstatement of the financial statements, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence considered to be sufficient and appropriate to provide a basis for his opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management in the financial statements.
- Assesses the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going

concern. This assessment is based on the audit evidence obtained up to the date of his audit report. However, future events or conditions may cause the Company to cease to continue as a going concern. If the statutory auditor concludes that a material uncertainty exists, there is a requirement to draw attention in the audit report to the related disclosures in the financial statements or, if such disclosures are not provided or inadequate, to modify the opinion expressed therein.

- Evaluates the overall presentation of the financial statements and assesses whether these statements represent the underlying transactions and events in a manner that achieves fair presentation.

APPENDICES

Accounting Rules and Methods

The financial statements for the year have been prepared and presented in accordance with the applicable general rules and in compliance with the principle of prudence.

The balance sheet for the financial year shows a total of € 44,120,958.

The income statement, presented in the form of a list, shows:

Total income of € 49,764,457

Total expenses of € 50,136,516

Thus generating a loss of € 372,059

The financial year under consideration covers the period 01/04/2024 to 31/03/2025, i.e. 12 months versus 12 months the prior financial year.

The following notes and tables form an integral part of the annual financial statements.

General accounting policies have been applied in compliance with the basic assumptions of:

- going concern principle
- consistency of accounting methods over the financial years
- appropriate cut-offs

And in compliance with the applicable French regulations arising from the decrees of the Regulatory Committee.

The basic method used for the valuation of items recorded in the accounts is the historical cost method.

Tangible assets

Tangible assets are valued at their acquisition cost (purchase price plus incidentals excluding expenses for the acquisition of the fixed assets) or at their production cost. The company has decided to recognise fixed assets acquisition expenses as charges.

Depreciation is based on the useful life.

Computer equipment: Straight line method over 3 years

Fittings: Straight line method over 10 years

Furniture: Straight line method over 10 years

Other equipment: Declining balance method over 5 years

Accounting Rules and Methods

Intangible assets

Intangible assets are valued at their acquisition cost (purchase price and incidentals, excluding expenses for the acquisition of the fixed assets).

They consist of items acquired and relate to licences, patents and MA dossiers.

MA files are amortised over a period of five years on a straight line basis.

Other amortisations are based on the useful life.

When the inventory value is lower than the gross value, a provision for depreciation, equal to the difference, is recognised.

Stocks

Stocks are valued using the weighted average price method.

The gross value of goods and supplies includes the purchase cost plus incidentals.

A provision for depreciation of stock, equal to the difference between the gross value based on the method specified above and the market value, is recognised when the gross value is higher than the market value. The impairment test is based on product turnover and the expiry date.

Receivables

Receivables are recognised at their nominal value.

A provision for depreciation is recognised when a loss is likely.

The depreciation methods for trade receivables are as follows:

- 100% if aged more than 365 days.

Liabilities

Liabilities are expressed at their normal value at the balance sheet date.

Accounting Rules and Methods

Provisions for risks and charges

Risks and charges, the nature of which is clearly specified, that become likely on account of past or current events give rise to the recognition of a provision.

On the reporting date, the provision for litigation with personnel amounts to € 869 K.

In accordance with the prospective method for retirement commitments, the company recognises a provision covering commitments relating to employee rights in its accounts, pursuant to the collective agreement of the pharmaceutical industry, at the time of retirement. The provision for retirement benefits is estimated individually for each employee present on 31/03/2025 and who has at least one year of seniority, while considering the following parameters:

- the applicable collective bargaining agreement
- the employee's probable salary upon retirement, based on career development assumptions specific to the company

The provisioned amount is determined using an actuarial method, as it includes the following parameters:

- the amount of the benefit to be paid
- the probability of being a company employee at the time of retirement, given the turnover within the company and the average mortality per age and per sex defined by the INSEE
- a discounting rate of 3.35%.

The provision for retirement commitments amounts to € 283 K.

The provision for the year amounts to € 62 K.
